RE: Albion-Sheridan Township Landfill Site

Dear Mr. Reager:

As I indicated to you during our telephone conversation today, the United States Environmental Protection Agency ("U.S. EPA") is currently investigating the source and nature of contamination at the above referenced Site. As part of that investigation, U.S. EPA is interested in taking your sworn statement for the purposes of determining liability and otherwise collecting information relating to the Albion-Sheridan Township Landfill Superfund Site.

You agreed today that you would be available for the taking of your statement at the following:

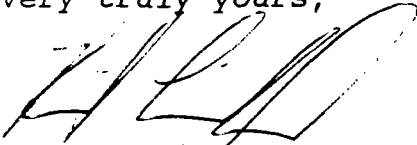

June 3, 1992  
10:00 A.M. EST

Albion City Hall  
112 W. Cass Street  
Upstairs Conference Room  
Albion, Michigan 49224

The U.S. EPA requests that you bring with you any records in your possession which relate to the Site. These records should include, but are not limited to any information concerning the shipment of waste oils or hazardous substances to the site, the generators of the substances, and a description of the substances at the site.

In the event you are unable to attend on the date stated above, please contact me immediately. If you have any further questions concerning this matter, please contact me at (312) 886-7152.

Very truly yours,
